Opis / Description

Shore Game, rods designed for shore fishing with medium to heavy lures, perfectly balanced for the optimal feel with a fast action, to feel the slightest touch, set the hooks, even on a long line and to play the fish safely without hook pulls.

- Japanese Toray blanks 24+30T
- Seaguide CCS stainless steel guides with SIN rings
- Competition double lock Carbon Reel Seats
- Competition Ready to fish rod bags

Supplier of high quality guides and Reel seats.

Blanks produced with original high modulus Toray Carbon, that is superior in strength, elasticity and performance.

Coil Control Guide system, designed for precise long distance casting with modern PE braids.
