8 cm / 40 gr

When choosing a lure for tuna fishing, you want to match the hatch. Whatever the tuna are feeding on that time of year is the size of bait you want to use. Tuna feed on different size bait fish at different times of the year, so matching the hatch is how you select lure for tuna fishing.

HART Bony Atun is the perfect machine to deal with tuna when they're busy eating small anchovies and don't pay attention to your poppers and walkers.
