Casted C-Frog is the ultimate heavy cover top water lure. C-Frog is equipped with a high quality and super sharp single hook. The benefits of the single hook are multiple - increasing hookup ratio, less damage to the fish and easy installation of the trailer hook. In addition to having a super natural swimming action, C-Frog is the right size bait and perfectly imitates the real size of the frogs that the fish feed on. It casts like a bullet and passes through the heaviest cover.
