Raspoloživost / Availability: Na zalihi / In Stock

Cijena / Price: 7,75€

Opis / Description

9,5 cm

10 pcs in pack

Flex Worm – is the number one lure when it comes to catching sluggish and uncooperative fish. It has been designed to make fishing simple, fun and effective! Thanks to its curved tail, the lure works with the slightest movement of the rod tip. It straightens and curls provoking the fish to attack. No fish will pass indifferently by such a naturally working earthworm. Its innovative shape makes it a versatile lure and very easy to use.
