Proizvođa / Brand: Mustad

Šifra proizvoda / Code: 29904

Raspoloživost / Availability: Na zalihi / In Stock

Cijena / Price: 2,00€

Opis / Description

10 pcs in pack

The Mustad Rolling Swivel is designed to have increased ease of spin, or rolling of the end pieces. The design allows the ends to roll under the smallest amount of pressure, virtually guaranteeing there will be less line twist in any rig with a Mustad Rolling Swivel attached. The round eye ensures safe and secure knot attachment and the black colour reduces visibility in the water making this swivel an excellent choice in many situations.
