Opis / Description

The Easy Shiner has a wide-wobbling rolling action that drives predator fish wild! The finely cut tails cause the bait to swim perfectly at even the slowest speeds. The Easy Shiner has become a staple in the Tournament Angler's arsenal thanks to our Legendary Keitech Swimming motion

These versatile swim baits come in seven sizes to match any fishing conditions. Keitech's original two-tone injection process uses different types of colored squid infused salted plastics to achieve fantastic balance and action.

The 3.5" & 4" have produced outstanding results on the Super Round Jig head. Adjust the weight to target the perfect depth and retrieve speed. Texas rigging works perfectly when fishing through aquatic vegetation. The Easy shiner is very durable and a favorite among those using the Alabama rig, with the wide size and color selection it's easy to "Match the Hatch".

Keitech Easy Shiner Features:

- Natural swimming action
- Specific plastics densities for better balance and action
- Custom Keitech 2-tone color process
- Strong squid scent
- The 3.5-inch Keitech Easy Shiner has 8 baits per blister pack
