Opis / Description

The long-casting Shadow Rap® Fat Jack dives fast when cranked. With a very slow rise on the pause, it perfectly imitates the fade of a dying baitfish. Designed for slow presentations with a steady retrieve and built with a subtle natural rattle created by two internal glass beads, Fat Jack will draw aggressive strikes even from the most passive fish. Detailed Shadow Rap® Series baitfish and attractor patterns help cover all fishing situations while the wire-through construction withstands even the biggest fish.
