Opis / Description

8 pcs in pack

This light game treble hook perfectly balances all the performance required of a treble hook in a small hook. It features three welded hooks with an exquisite point angle and gape design that provide fast hookup and holding power, resulting in a small but perfectly executed hook. From native trout fishing in mountain streams to light saltwater fishing and, of course, small bass plugs, this treble hook is ideal for all light game fishing.

- Light game treble hook.
- Curved point and slimline bent hook provide fast hookup and impressive holding power despite its small size.
- Vertical eye design allows for smooth hooking with any lure.
- NS black finish maximizes wire hardness.
